5. ENVIRONMENTAL SERVICES

- Nothing presented.

6. NEW BUSINESS

Nothing presented.

7. OLD BUSINESS

Construction Update – There are a couple of assessments that need to start happening as the design team continues to work on the design

- **Motion 4:** Dave Bristol motioned that the Board of Directors accepts the bid from Walter Environmental Group for an ASTM Phase I Environmental Site Assessment in the amount of \$2000. Bob Wilson seconded. Motion carried unanimously.
- **Motion 5:** Bob Wilson motioned that the Board of Directors accepts the bid from Phase Con Environmental Consultants for the Asbestos Materials Building Inspection Services in the amount of \$2055. Dave Bristol seconded. Motion carried unanimously.

Physician Recruitment – There was discussion of the information Dr. Rollins has so far in talking to the residents. Jessi presented information from a physician interested in covering for some time; however, he does have his own practice in Grand Junction. Jessi will start looking to credential information on him to see if he could be a temporary solution. There was discussion of what Dr. Walters final day will be. Helen had spoken with her and it was determined the last day will be Saturday, February 5, 2011.

- **Motion 6:** Frank Wagner motioned that the Board of Directors accepts Dr. Walters' last day as February 5, 2011. Dave Bristol seconded. Motion carried unanimously.
- Jessi will prepare a letter to go out to patients to inform them of Dr. Walters' last day. Drs. Rollins and Woodyard will cover Saturdays in Mesa for a little while if the search is still ongoing. There was discussion of how to work Mondays and Wednesdays. We may close Mondays in Mesa and start doing half day in Collbran and half day in Mesa on Wednesdays.

- Physician Report
Nothing presented.
- District Administrator Report
 - Hot water heater – The hot water boiler has a leak that is slow but may get worse before we are ready to replace it in the construction project. We won't need a boiler again. Frank will have the mechanical engineer for the project come up and look so we can be ready when it does go out. We will have to decide whether to use on demand or a heater and plumb it to a new location.
 - Physician's computer – The physician computer is about die. It may be the oldest computer we have.
- **Motion 7:** Bob Wilson motioned that the Board of Directors accepts the proposal for a new computer for the physicians' office. Frank Wagner seconded. Motion carried unanimously.
 - Attorney letter – The attorney sent a letter with an increase in fees as she has not increased them since 1996.
- **Motion 8:** Dave Bristol motioned that the Board of Directors accepts the new fees from our attorney. Bob Wilson seconded. Motion carried unanimously.
 - Grant updates – The Boettcher Foundation sent a letter that they are delaying grants until 2011. Energy Impact grants opened this year and were frozen a week later. USDA needs to be notified that we can only go for grants, which means it is doubtful we will get one. Caring for Colorado has received our application and contacted Jessi for more information. They also set us up to work with the Colorado Rural Health Center which will be meeting with us in January. This could mean working towards a rural health designation which

could mean more grant opportunities and increased Medicare reimbursement. The District also applied to El Pomar and the Bacon Foundations. Jessi will check into whether they received them or not.

9. DECEMBER EVALUATION / RAISES

- Annual: Joy Campbell
- 3 Month: None
- **Motion 9:** Frank Wagner motioned that the Board of Directors accepts the evaluation of the employee and approves the annual raise applicable. Dave Bristol seconded. Motion carried unanimously.

Meeting adjourned at 19:02.

Respectfully submitted,

Jessi Clark, secretary to the Board
