GORGEOUS RURAL WESTERN COLORADO HOSPITAL DISTRICT SEEKING FULL TIME PHYSICIAN

Rare full-time opportunity in rural Collbran, Colorado – 50 minutes NE of Grand Junction. Centrally located on the majestic Grand Mesa, the Plateau Valley Medical Clinic (PVMC) is seeking a board certified or board eligible family or emergency medicine physician to serve the thriving rural mountain communities of Collbran, Mesa and Molina (collectively the Plateau Valley). The area is surrounded by National Forest land and is home to the country's finest fishing, camping, biking, skiing (Alpine & Nordic), hunting, boating, ATV, snowshoeing, snowmobiling, snow biking and hiking areas. The schedule is perfect for the outdoor/community minded enthusiast of 7 days on and 7 days off. The candidate must live within 30 minutes of the Clinic. Types of medical cases include family medicine and emergency conditions stemming from ranch, visitor, recreational and tourist related accidents. Patient ages range from infants to geriatric.

This is a great location to enjoy the laid-back atmosphere, while having a significant impact to the community and the people the clinic serves. Looking to fill this position immediately.

What You'll Enjoy at this almost 100-year medical system:

- Cohesive 15-team group with team-centered care
- Competitive Pay
- All Practice Insurance paid with tail coverage
- All Licensure fees paid
- Paid CME credits
- Paid memberships
- Phone allowance
- Health Insurance
- 7 days on 7 days off

Plateau Valley Hospital District, dba Plateau Valley Medical Clinic, has been serving the Plateau Valley area since 1903. In 1972 the community formally created the District, making it a very financially secure and sustainable medical system.

Advantages of rural medicine: Rural healthcare offers some of the most exciting opportunities in American medicine – a wide variety of cases, practicing full-spectrum primary care, challenging and rare opportunities, greater emphasis on patient relationships, less bureaucracy with greater opportunity for development.
